MODULAR FABRIC BACKWALLS

Fast & easy assembly

GET NOTICED AT ANY EVENT...

Find inspiration for any event stand with our range of Portable Modular Tube Fabric Display options. Link aluminium tubular frames with simple accessories to create your desired size and space, and make sure you stand out in any room!

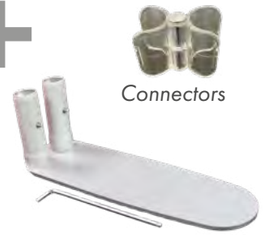
Why choose Modular Displays:

- Simple and quick assembly with fuss-free components.
- Cost effective solution for an impactful brand experience.
- Portable aluminium hardware that's lightweight and easily transportable.
- Reusable hardware so it can be reconfigured to create other spaces for multiple events.
- Machine washable printed polyester and a one piece graphic.

Add lights and a counter to complete your stand.

What you'll need to create a modular tube stand:

Multiple tube walls



Connectors

Universal feet
